## County of San Luis Obispo

TO: Board of Supervisors

FROM: Public Works

Ryan Chapman, Traffic Engineer

VIA: Frank Honeycutt, Transportation Division Manager

DATE: 11/20/2012

SUBJECT: Hearing to consider a resolution amending the Traffic Regulation Code to establish enforcement of the California Vehicle Code on private roads within Tract 18, East of Paso Robles. District 1.

### **RECOMMENDATION**

It is recommended that your Board adopt the resolution amending the Traffic Regulation Code to establish enforcement of the California Vehicle Code (CVC) on private roads within Tract 18, East of Paso Robles.

### **DISCUSSION**

Staff has received a request from a property owner within Tract 18 which is located between Geneseo Road, Union Road, and Highway 46, east of Paso Robles and illustrated on the attached vicinity map. The request was for enforcement of the vehicle code by the California Highway Patrol (CHP) by in Tract 18, specifically to address speeding vehicles. There is no current jurisdiction of these streets which allow enforcement of speeds. These streets include Compere Way, Baron Way, Conestoga Circle, Debonair Drive, Plane View Place and Settlers Place.

The California Vehicle Code (CVC Section 21107.5) provides for the establishment of CVC regulations on private roads, by action of our Board, pursuant to a hearing noticed to the affected properties. Hearing notices were mailed to all the affected property owners and residents in Tract 18 informing them of this proposed action.

Once adopted, the residents of these streets must place signs indicating "Private Road – California Vehicle Code Enforced" along with other signs indicating weight restrictions or vehicle requirements. After posting these signs, residents can request California Highway Patrol to monitor, enforce and respond to traffic collisions and complaints on the roads listed above.

## **OTHER AGENCY INVOLVEMENT/IMPACT**

The CHP enforces the Vehicle Code on County Roads and supports these revisions in order to more effectively enforce the code sections on these streets.

## **FINANCIAL CONSIDERATIONS**

There is no financial impact to the Roads Fund associated with this action. Placement of signs and markings is estimated to cost approximately \$200 and will be paid for by the affected residents.

## **RESULTS**

Adoption of this ordinance will allow the CHP to enforce traffic regulations on streets within Tract 18 and will generally enhance neighborhood safety and livability.
